Index to Deaths,
Geographical, 1916-1929

Note

Many of the pages of the Index to Deaths, Geographical, 1916-1929, are extremely fragile. Sections of pages were reduced to fragments before the records were transferred to the New Jersey State Archives in 2014. The utmost care will be exercised while microfilming these records but loss of information due to missing parts of pages is unavoidable.
